

| PART NO.                                   | DESCRIPTION                                   | RRP         |
|--|---|-------------|
| <b>KICKER AMPS &amp; SIGNAL PROCESSORS</b> |   |             |
| 07WX100001                                 | 10,000 Watts RMS x 1 Amplifier                | \$14,999.00 |
| 08WXRC                                     | Warhorse Remote Control                       | \$749.00    |
| 10IX10001                                  | IX1000.1 1ch x 1000wRMS Amplifier             | \$1,299.00  |
| 10IX5001                                   | IX500.1 1ch x 500wRMS Amplifier               | \$899.00    |
| 10IX5004                                   | IX500.4 4ch x 125wRMS Amplifier               | \$899.00    |
| 10IXSM                                     | Stacking bracket kit for IX Amplifiers        | \$119.00    |
| 10ZX700.5                                  | ZX700.5 85 Watts x 4, 420 Watts x 1 Amplifier | \$1,099.00  |
| 10ZX650.4                                  | ZX650.4 170 Watts x 4 Amplifier               | \$999.00    |
| 10ZX350.4                                  | ZX350.4 90 Watts x 4 Amplifier                | \$699.00    |
| 10ZX450.2                                  | ZX450.2 225 Watts x 2 Amplifier               | \$799.00    |
| 10ZX200.2                                  | ZX200.2 100 Watts x 2 Amplifier               | \$349.00    |
| 10ZX2500.1                                 | ZX2500.1 2500 Watts x 1 Amplifier             | \$2,799.00  |
| 10ZX1500.1                                 | ZX1500.1 1500 Watts x 1 Amplifier             | \$1,999.00  |
| 10ZX1000.1                                 | ZX1000.1 1000 Watts x 1 Amplifier             | \$1,299.00  |
| 10ZX750.1                                  | ZX750.1 750 Watts x 1 Amplifier               | \$999.00    |
| 10ZX500.1                                  | ZX500.1 500 Watts x 1 Amplifier               | \$849.00    |
| 10ZX400.1                                  | ZX400.1 400 Watts x 1 Amplifier               | \$699.00    |
| 10ZX300.1                                  | ZX300.1 300 Watts x 1 Amplifier               | \$449.00    |
| 08ZXEC                                     | ZX END CAP Per Pair                           | \$59.00     |
| 10DX1000.1                                 | DX100.1 1000 wRMS x 1 @1ohm Amplifier         | \$899.00    |
| 10DX500.1                                  | DX500.1 500 wRMS x 1 @1ohm Amplifier          | \$649.00    |
| 08DX200.4                                  | DX200.4 50 Watts x 4 Amplifier                | \$349.00    |
| 08DX300.2                                  | DX300.2 175 Watts x 2 Amplifier               | \$399.00    |
| 08DX100.2                                  | DX100.2 50 Watts x 2 Amplifier                | \$229.00    |
| 10ZXSUM8                                   | Signal Summing Device                         | \$399.00    |
| 03KQ30                                     | 30-Band Pre-Amp/Equalizer                     | \$389.00    |
| 03KQ5                                      | 5-Band Pre-Amp/Equalizer                      | \$599.00    |
| 03KQ9                                      | 9-Band Pre-Amp/Equalizer                      | \$399.00    |
| 03KX2                                      | Electronic Crossover - 2 Stereo Outputs       | \$179.00    |
| 03KX3                                      | Electronic Crossover - 3 Stereo Outputs       | \$349.00    |
